NOTICE BOARD	Mission and Values of NACOSS IBBUL
CHANGE OF RECIEPT All students are expected to change their teller to reciept at the secreteriate CSC 101 TEST CSC 101 test is scheduled to hold on 29/05/2019 at the E-Library by 10am. CSC 413 PRESENTATION CSC 413 Presentation is scheduled to hold on 28/05/2019 at the E-Library by 10am.	Through consistent and professional exposure, NACOSS provides an excellent foundation for Computer Scientists, Engineers and any IT related disciplines in Nigeria. A study of NACOSS activities indicates that it reveals IT career and entrepreneurship opportunities to the youth of Nigeria. It provides opportunities for them to explore and fulfill their potentials and become more competitive in the IT environment locally and globally. It is about equipping young people to become contributors and change agents in Nigeria through IT. Our focus Our aim and objectives So how did it all start
